

Brainstorming Notes from Munjoy Meeting October 14, 2008

1. Volunteer use – to what extent and for what purposes?
2. EECS is very hard to use as an adult.
3. No labels on adult periodicals
4. No list of periodicals
5. No comfortable places to sit near the adult collections
6. Staff too busy with users
7. All of the above make it unfriendly
8. Distribution of children's services through neighborhood (How has move from Adams affected)
9. Usage tracking
10. How do you track non-borrower numbers?
11. What do the numbers mean?
12. Could your volunteers train the new volunteers?
13. Volunteer training volunteers could improve the quality and retention of volunteer work.
14. How is collection development done in the branches?
15. Has the move from Adams affected the EECS constituency? (ex. kids with technological skills showing their family members)
16. Website notice regarding the budget developments for next fiscal year
17. When is the most logical time for people to be involved in the budget process?
18. Uniqueness of each branch should be considered when cutting.
19. Develop a "Library 101" for volunteers
20. Senior college (OLL) re: library historical, etc
